Our values

Our values are core to how we achieve our mission and have been expressed in our strap line as: love God, love people, love life

love God, love people, love life

Family No matter who we are, what we are like, where we come from or how old we are, God loves us all equally. He loves and values each person and so we too place a high value on each individual. Our church life is relational, accessible to all generations and builds family and community life.

Worship As we meet together, we seek to worship God in a way that is inspiring, passionate and intimate and that facilitates an encounter with Him. However, worship is also about how we live our lives day by day: choosing a lifestyle that brings glory to God and encourages others to seek a relationship with Him.

Prayer We believe prayer, speaking to God and listening to God, changes things. We recognise that it is only through praying that our lives are impacted by God, communities are transformed by the love of Christ, and global issues are positively and dramatically affected.

Bible Our theology is based on the Person, teaching and work of Jesus Christ as revealed through the Bible. Our teaching is therefore Bible based and is thoughtful, relevant and equips people for every day life and ministry.

Growth It is the responsibility of every Christian to grow in the knowledge and love of God. Discipleship is based on following the example of Jesus by being loving, prayerful, holy, honest, accountable, humble and generous. It involves meeting together with other Christians for encouragement and teaching.

Generosity We believe that God has challenged us to be extravagantly generous with our time, our money, our resources, our talents and our giftings in order to demonstrate the unconditional love of Jesus to those around us.

Everyone in ministry Each person has a role to play within the local church as they are equipped and enabled by God. The supernatural is to be expected as individuals use the gifts of the Holy Spirit both in the formal church setting, in small groups and in their lives day by day.

Making Jesus accessible God loved us so much that He gave His Son, Jesus Christ, to die on a cross for our sins and then to rise again, conquering death and hell so that anyone who believes in Jesus will have eternal life. We want people to have the opportunity to investigate and make decisions about Christianity based on an understanding of the depth of God's love for each of us. We seek to share the love of God with those around us and to support in prayer and financially those who share the love of God worldwide.
